

PRODUCT DATA

DIE KOTE[®] 7275-N

AN ECONOMICAL ALUMINUM DIE CASTING RELEASE AGENT

Die Kote 7275-N is a highly concentrated, water-based die lubricant developed for aluminum die casting. It has been formulated for use in central reservoir systems. **Die Kote 7275-N** is a balanced mixture of parting agents, anti-solder additives, corrosion inhibitors, and surfactants. It also contains a biocide.

Die Kote 7275-N will cast parts up to 75 pounds - channel plates, transaxle parts, transmission housings, finned cylinder heads, four and six cylinder engine blocks, low draft computer and aircraft parts, marine engines, valve bodies, etc.

FEATURES

- * Contains anti-solder and parting agents
- * Provides low foam stable mixture
- * Bright finish on cast parts

BENEFITS

- * Easily removed - alkaline cleaning systems
- * Improved surface finish
- * Improved pin lubrication
- * Overall cost-effective

Houghton International Inc.

Madison and Van Buren Ave., P. O. Box 930, Valley Forge, PA 19482-0930
(610) 666-4000 Telefax (610) 666-1376

TYPICAL PHYSICAL AND CHEMICAL PROPERTIES

Appearance	Off-white emulsion
Odor	Bland
pH (neat)	9.0 - 9.5
Specific Gravity	0.999
Pounds per Gallon	8.32

USE INSTRUCTIONS

Spray equipment should have adequate air pressure to ensure good atomization of the product. Be sure the entire die face is sprayed (suggest a minimum of 60 psi for air supply).

MIXING INSTRUCTIONS

Die Kote 7275-N disperses easily in water and forms a stable emulsion. It can easily be applied with hand spray guns, fixed nozzles or reciprocating units.

SHELF LIFE

Six (6) months

SHIPPING CLASSIFICATION

Same as soap solutions

STORAGE/HANDLING/DISPOSABILITY

No health or safety hazards exist when **Die Kote 7275-N** is stored, used and disposed of in accordance with instructions given on the Material Safety Data Sheet for this product.

WARRANTY

The information given here is considered to be correct and is offered for your consideration, investigation and verification. No warranties are expressed or implied since the use of our products is beyond our control. Statements concerning the use of Houghton products are not to be construed as recommending the infringement of any patent.

EXPORT STATEMENT

This commodity and its technology are subject to the export control laws and regulations of the United States Government. Buyer agrees that it shall not make any disposition, by way of export, diversion, transshipment, re-export or otherwise, except as expressly permitted under United States law.
